

Weston & District Netball League 2008/09 winter season

Procedures:

1. **Registering & affiliating team players for the start of 2008/09 winter league.**
2. **Registering & affiliating additional player(s), throughout the season.**
3. **Registering player(s) from one team to another during the season.**
4. **Match results.**

Your Team(s) name with captain and 2nd contact details should have already been registered with the payment of £25 to Weston & District League by the 31st July.

1. Registering & Affiliating:

NOTE: All players including juniors U18 and school teams MUST pay England Netball and county fees.
(School teams are **NOT** covered under their school insurance if entering a team outside school events.)

Fees:

England Netball – juniors - £13.50 each (18 & under by 1st September 08)

(Insurance) OR- £135.00 minimum 10 players (min fee for young persons group) includes 2 nominated Non- playing leaders.

Seniors - £21.50

OR - £215.50 (minimum 10 players)

You may however affiliate with another team if you do not have up to 10 players, please let Div Rep know.

Avon - juniors - No charge

Seniors - £5.00

Note: These fees are for the county development fund which will help subsidise eg: umpire courses/tests for our league.

South West - juniors - £2.00

Seniors - £2.00

Forms with payment must be received by the Div Rep by **31st August 2008.**

Forms with payment for Youth Teams with players at school must be received by **7th September 2008.**

- Please complete the form with **ALL** your player details and send with payment to your divisional Rep.
(Cheques made payable to **England Netball**)
- Div Rep will update all player and team details on line and send payment to England Netball. (Team contacts will receive confirmation)

2. Registering & affiliating additional players:

- Each team will affiliate new players to England Netball directly on line at www.EnglandNetball.co.uk.
- Pay England Netball direct by credit card or send them a cheque straight away for your player(s) to be **insured**.

Once affiliated on line you will receive conformation via email from England Netball.

- This conformation email **MUST** be sent by you to your Div Rep **before** playing any matches.
- You may phone prior or after affiliating to inform the Div Rep that you wish to register and have affiliated a new player.
- The Div Rep will confirm once she has received the conformation sheet you will send from England Netball. You may **only then** include the player(s) in your next match.

If you do not get a reply from your Div Rep (for what ever reason) please contact:
(Registration/Affiliation Secretary)
Or any other Committee member.

3. Registering player(s) from one team to another during the season.

All players registered to a team will **ONLY** play for that team. They may **NOT** play for any other team even if they are from the same club.

However:

- If a player is to move team within a club (because she has improved or not!) or to play for another team/club her new team **MUST** fill in a form with all details and send to **Affiliation/Registration Secretary**.
- This will then be taken to the committee for a decision.
- That player will stay in that team and it is not appropriate for the player to reapply to change teams throughout the season, unless special circumstances arise.
- The team will wait for a decision and not presume that player will automatically be allowed to change and therefore **NOT** play any matches other than for the team they were originally registered to.

4. Match results:

- Send match results, **FULLY** completed match form and **score card**
By (email and or by post or in person) to reach your Div Rep by the following Tuesday at the latest.
(Div Rep will confirm once received)

Please write a match report (can include photos) and email to Weston Mercury & Clevedon Mercury (if from that area.)

NOTE: All forms will be included in the Captains folder and will need to be photo copied for future use, and can be downloaded from this site.

NOTE: All Contacts are in your Captains folder.

Points will be **DEDUCTED** if procedures are not followed.

Following lots of enquiries and discussions the Weston & District Netball League Committee feel that the additional help with the Divisional Reps and the changes in these procedures will benefit both teams and the committee. We aim to improve and try to keep any changes as straight forward as possible for the good of the league.

If you would like to make any suggestions and or have any queries please contact anyone of us.

Let's all ENJOY good netball play this 2008/09 winter season!
